Re: **APPLICATION FOR PUBLIC HEARING**

Proposed Alternate Unit Well
Travis Peak Zone, TP SU89
Proposed Unit Well and Alternate Unit Well
Rodessa-Hill Zone, ROD HILL SU69
Greenwood-Waskom Field
Caddo Parish, Louisiana

Dear Sir:

Application is hereby made on behalf of **MORANSCO ENERGY CORPORATION**, (Applicant), to the Commissioner of Conservation for a public hearing to consider evidence relative to the issuance of an Order pertaining to the following matters relating to the Travis Peak Zone and the Rodessa-Hill Zone, Greenwood-Waskom Field, Caddo Parish, Louisiana:

FOR THE TRAVIS PEAK ZONE:

1. To permit the applicant to drill, designate and utilize their Hardin No. 1 Well as an alternate unit well for TP SU89, for the production of gas and condensate for the Travis Peak Zone, Greenwood-Waskom Field, Caddo Parish, Louisiana, in exception to the spacing provisions of Office of Order No. 270-1, such unit and well shown on the attached plat and made a part hereof.

FOR THE RODESSA-HILL ZONE:

1. To permit the applicant to designate their Turner No. 1 Well as a substitute unit well, in exception to the for the production of gas and condensate from the Rodessa- Hill Zone in the unit designated ROD-HILL SU69 in exception to the spacing provisions of Office of Order No. 270-1, and to permit the applicant to designate their Hardin No. 1 Well as an alternate unit well for ROD-HILL SU69, such unit and wells shown on the attached plat and made a part hereof.

FOR BOTH, THE TRAVIS PEAK ZONE AND RODESSA-HILL ZONE:

1. To find that an alternate and/or substitute unit well are needed on the TP SU89 and ROD HILL SU69 to assist in the efficient and effective drainage of the Travis Peak Zone and Rodessa Hill Zone that cannot be drained by any other wells located therein.
2. To permit the unit operator to produce the unit allowable from the unit well, the alternate unit well or form a combination of all wells at the discretion of the unit operator.
3. To consider and cover such other matters as the Commissioner of Conservation may deem pertinent and appropriate.

The Travis Peak Zone in the Greenwood-Waskom Field, Caddo Parish, Louisiana, was defined in Office of Conservation Order No. 125-A, effective August 1, 1947, was redefined in Order No. 270-42, effective May 22, 1985, and was further defined in Order No. 270-43, effective June 12, 1985. The Rodessa-Hill Zone in the Greenwood-Waskom Field Caddo Parish, Louisiana, was defined in Office of Conservation Order No. 125-A-10, effective April 11, 1951, and was amended by the 270-1 Series of Office of Conservation Orders.

The pertinent data pertaining to this application is available for inspection at the Offices of B. F. Anderson, 400 Travis Street, Suite 209, Shreveport, Louisiana 71101-3110. Any person wishing to inspect such data should call B. F. Anderson at 318/425-4230 during normal business hours in order to arrange a date and time for such inspection. A copy of any such pertinent, that is otherwise not available from the Office of Conservation, can be obtained **at the expense of the requesting party**.

The subject matter of this application does not require a pre-hearing conference.

Attached hereto and made a part of, is a plat showing the applicant's proposal and a list of the names and addresses of the names and addresses of all Interested Owners, Interested Parties and Represented Parties to whom this application is being furnished. Pursuant to the Revised Rules of Procedure, the list of parties is being furnished to the Commissioner of Conservation and to the District Office of Conservation. The list of parties will be provided to any party requesting copies. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and the Interested Parties as shown on the attached list.

Hon. James H. Welsh
Greenwood-Waskom Field
3

Our check, made payable to the Office of Conservation, is attached to cover the applicable hearing fee.

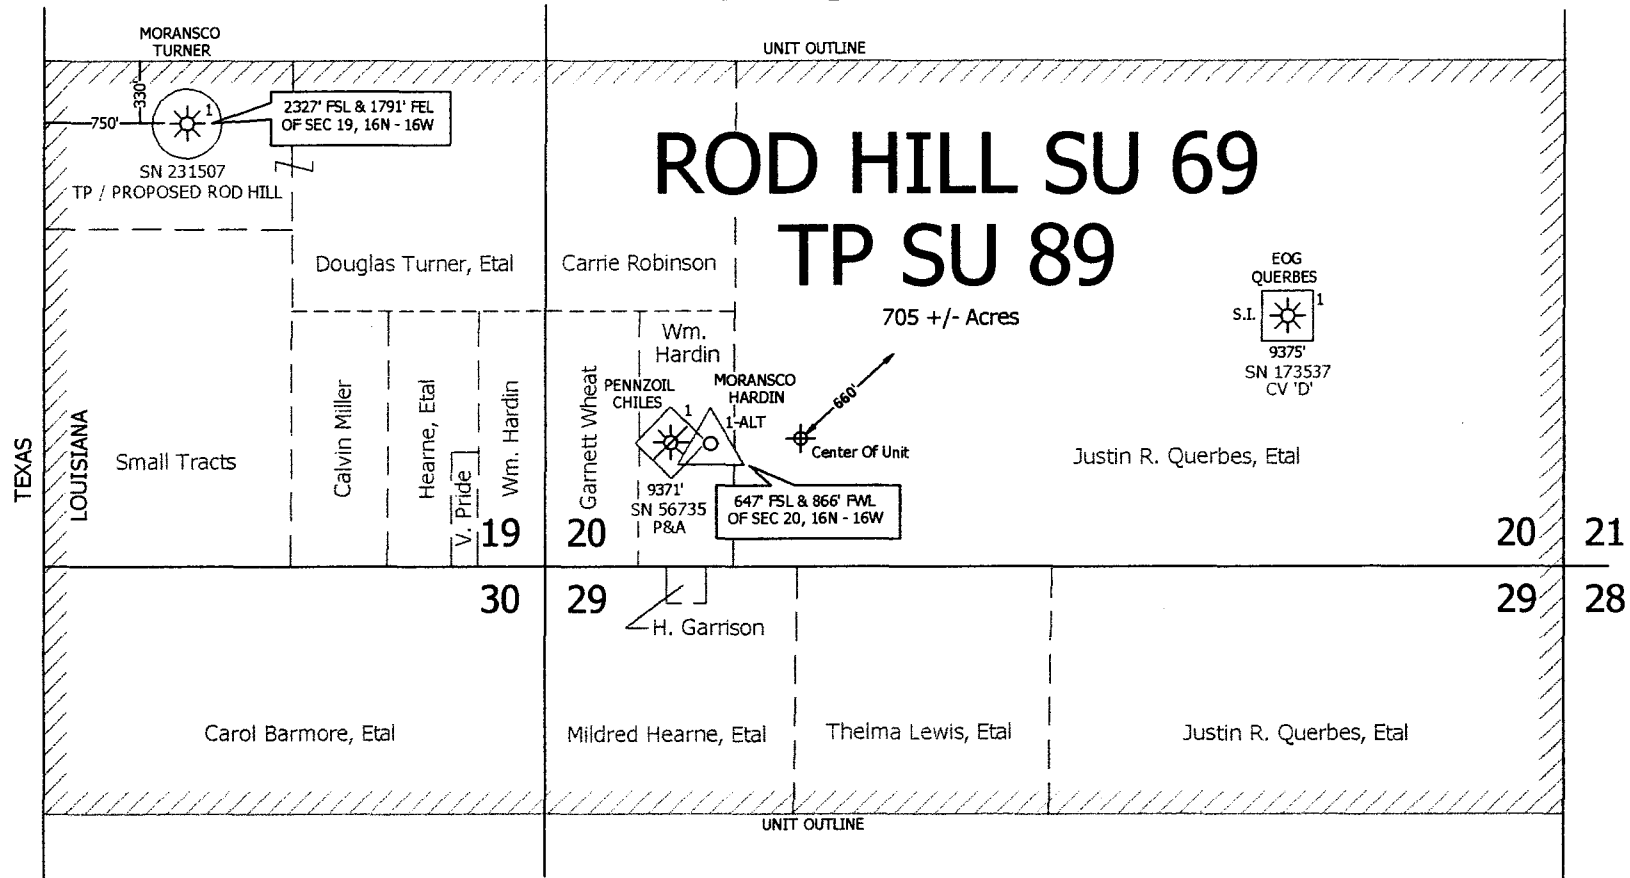

Yours very truly,

A handwritten signature in black ink, appearing to read "B F Anderson", with a long horizontal flourish extending to the right.
